This document is relevant for 2025 only. Training days, competition dates and fees may change for 2026 and some details may change during 2025.

## 1. NEW SOFTWARE

In January 2025 we'll introduce new management software. 'Friendly Manager' will replace Enrolmy and will be used for registrations and bookings, roll taking, invoicing, etc. Rather than migrate data we will ask you to register your child into the system early in 2025 – this will ensure that our information is accurate and up to date. At this time, you will be asked to create a password, and this will enable you to log into the system using your email address at any time to see your account details etc. We will advise you when the new system is available for use.

### 3. IMPORTANT DATES AND EVENTS

#### 3a. Holiday training and rest days/weeks

Most squad gymnasts do train in school holidays with some designated rest days (this does not apply to WAG/MAG Development or Academy; holiday training options will be communicated by coaches of these squads). 2025 rest days have been allocated around public holidays and with competition seasons in mind. Some squads have more rest days than others, this depends on whether training sessions fall on public holidays. Rest assured that monthly training fees have been adjusted in line with each squad's number of rest days.

### 4. FEES

#### 4a. Athlete Membership Fees

To register gymnasts as Gymnastics NSW affiliated athletes we charge an annual Athlete Membership Fee. From 2025 squad families will register or re-register annually and will pay the membership fee at this time – this is crucial to ensure that gymnasts are covered by our Gymnastics NSW insurance. The 2025 Athlete Membership Fees are:

WAG Levels 3-10	\$130 per year	MAG Levels 1-10	\$130 per year
WAG Academy & Development	\$100 per year	MAG Development	\$100 per year

## 4b. 2025 Fees and Fee Policy

Shire Gymnastics endeavours to make fees as affordable as possible – please note that competitive squads are heavily subsidised by the business. We have decided to absorb fee increases for 2025 however squad fees may be up to \$12 more across the entire year due to our invoicing changes described below. Additionally, some squads are increasing hours. Monthly training fees are shown below. Whilst we don't anticipate a change during 2025, we maintain that fees may change at any time with a minimum of 2 weeks' notice. Please see the Fee and Payment Policy for more information regarding fees. In particular, please note that **NO** credits or refunds will be given for non-attendance, family holidays, competitions & clinics on a training day, illness or injury.

## 4c. New Monthly Invoicing

To respond to requests for more frequent and consistent invoicing, in 2025 we will invoice squad fees monthly (over 11 months). Your monthly amount will be for training fees including holiday training but will not include competition levies, SGAC hire, uniforms, leotards etc; these will be invoiced separately. More details about invoicing are:

- ~ Invoicing occurs on the 20<sup>th</sup> of each month for the period 20<sup>th</sup> of that month to 19<sup>th</sup> of the following month.
- ~ Invoices will have 7-day payment terms and our members are required to pay prior to the due date.
- ~ Fees may be paid by Stripe, electronic transfer, or cash.
- ~ The last invoice of the year will be issued on 20<sup>th</sup> November, you will not receive an invoice in December.

The monthly fees (x 11 months) for each squad are:

WAG Levels 6+	\$622 per month	MAG Levels 7+	\$674 per month
WAG Level 5	\$615 per month	MAG Levels 5-6	\$632 per month
WAG Levels 3 and 4	\$535 per month	MAG Levels 3-4	\$523 per month
WAG Academy	\$252 per month	MAG Levels 2-3	\$424 per month
WAG Development	\$146 per month	MAG Level 1	\$252 per month
		MAG Development	\$146 per month
